Basic rules to follow

HOW TO CHECK YOUR TENSION

Before you knit these designs check your tension carefully.

Take a pair of No. 11 needles, cast on 16 stitches and work in stocking stitch—1 row knit; 1 row purl—for 20 rows. Cast off; press lightly on wrong side.

The tension should be 16 sts. and 20 rows over 2 ins. and the finished square should measure 2 ins. each way. If the square is bigger your work is too loose; try a size finer needle. If it is smaller your work is too tight; try a size coarser needle.

If you knit to the correct tension in stocking stitch, you will knit naturally to the correct tension for any stitch in this booklet.

If you alter the needles to obtain the correct tension in stocking stitch, corresponding alterations must be made to the needles throughout.

PATONS 101 COURTELLE Tension

Correct tension is the secret of all successful knitting. Please knit a trial square especially before you start using your Patons 101 Courtelles—see note on How to Check Your Tension.

Washing by hand or machine

You can wash Patons 101 Courtelles by hand or machine (wool or delicate fibres cycle) with perfect satisfaction. Wash frequently to avoid over-soiling. Temperature 40°C or 104°F comfortably hot to hand. Use washing agents in accordance with makers' instructions—fully dissolved. Rinse thoroughly—at least twice—adding a softener to the final rinse for perfect results. Remove excess moisture by squeezing or rolling in towel or spin-drying. Shape out and dry flat. Pressing should be unnecessary but if desirable use a cool iron lightly on wrong side only when completely dry.

Next row—K.1, (inc. in next st., K.1) 17 times, inc. in next st., K.1 (55 sts.).

Change to No. 10 needles and work in stocking stitch until sleeve seam measures 1 inch, ending with a P. row.

Shape top by working rows 1 to 4 of raglan shaping as on Front, then rep. 3rd and 4th rows until 9 sts. remain, ending with a 4th row.

Cast off.

TO MAKE UP AND NECKBAND

With wrong side of work facing, block each piece by pinning out round edges. Press each piece using a warm iron and damp cloth.

Using a flat seam for garter stitch and a fine-back stitch seam for remainder, join side and sleeve seams.

Using a flat seam, stitch Sleeves in position.

With right side facing and No. 11 needles, knit up 14 sts. from left side of Back, 7 sts. from Sleeve, 12 sts. down left side of neck, K.11 sts. at centre, knit up 12 sts. up right side of neck, 7 sleeve sts. and 14 sts. from right side of Back (77 sts.).

K. 4 rows.

Cast off knitways.

Stitch down end of underflap.

Press seams.

Sew on buttons.

Thread ribbon through holes at waist and tie a bow at centre front.

SHORT VERSION

Work as for Long Version working 8 lace patts. on Skirt in place of 14.

CROCHET is easy!

No one need be frightened of Crochet: it is so easy to do, and once you have got going after a little practice, you will want to make all sorts of things for yourself and family, and the home.

The wool runs from ball round little finger and over first 2 fingers, and the work is held in your left hand between 1st finger and thumb: diag. 1.

To start: make a slip loop, several inches from end of yarn, and slip on hook (this loop counts as your first chain).

Continue making the length of chain stitches you require, i.e. catch wool with the hook and pull it through loop already on hook: diag. 2.

This is the basic step of Crochet and you can master it in a few minutes. It is best to practice with a fairly thick hook and yarn (about hook No. 8 and Double Knitting.)

For your next row, work a Single Crochet (or Slip Stitch) through each loop of length of chain, i.e. pull thread through next loop of chain then through loop on hook: diag. 3. (this leaves one loop on hook).

This is Single Crochet and articles can be made in this stitch.

1. HOLDING WORK

2. CHAIN

3. SINGLE CROCHET

Note: in crochet, the work always hangs by one loop on the hook.

After the first row worked into the foundation length of chain, you will be working into the stitches of previous row.

All crochet stitches are developments of Single Crochet, making a longer stitch at each stage.

After Single Crochet, the next stage is Double Crochet: this is

4. DOUBLE CROCHET

5. TREBLE

6. DOUBLE TREBLE

simply Single Crochet with a 2nd loop pulled through to give a longer stitch, i.e. draw a loop through next chain or stitch (2 loops on hook), now draw a loop through both loops on hook: diag. 4. (this leaves one loop on hook).

Half Treble (not illustrated) is only a longer Double Crochet—wool over hook, draw a loop through next stitch (3 loops on hook), draw a loop through 3 loops.

For Treble, wool over hook, draw a loop through next stitch, draw a loop through first two loops on hook, then draw another loop through 2 remaining loops.

Double (or long) Treble—wool twice round hook, draw a loop through next stitch, draw a loop through first 2 loops on hook, draw a loop through next 2 loops then draw a loop through remaining loops (1 loop left on hook).

Shapings in Crochet—instructions for Increasing and Decreasing are always given in the pattern. As a general rule, to Increase—work 2 stitches into one stitch, or 2 patterns into one space in fancy pattern.

To Decrease—you miss a stitch (or pattern) as stated in the instructions, e.g. miss out a complete pattern and work into the next stitch (the gap is usually crossed with 1, or more slip sts.).

Practice all these Basic Stitches until you have grasped the very simple principles of Crochet. At first, beginners have difficulty with beginning and ending rows, but the pattern you are following will give instructions for these.

The rule is broadly that you miss the 1st stitch (last stitch of previous row), and work over this as instructed. At the row end, you turn with 1 or 2 chain as instructed, and this turning ch. usually counts as the 1st stitch of next row.
